Masking Dates

These are details on some unusual things you may wish to do in your site:

Show Quantity fields as Whole Number in the absence of Decimals - this occurs mainly with ERP systems that have excessive decimals for quantity and utilize Conditional Logic . Please see this PDF for details:

[Quantity Masking - Whole and Decimal.pdf](#)

Form & Data file (zip format)

Mask Title, Initials, First Name and Last Name into a salutation - this occurs in letter writing where the first three items may be absent. Please see this PDF for details:
